2. Blanket Period

"FROM" is the date upon which the Certificate becomes applicable to the good covered by the blanket Certificate (it may be prior to the date of signing this Certificate). "TO" is the date upon which the blanket period expires. The importation of a good for which preferential tariff treatment is claimed based on this Certificate must occur between these dates. In no instance should this Certification exceed a 12-month period, and any information provided should be updated in the event any previously-issued certification no longer applies. Complete this field if applicable.

3. Certifier's Name and Address

Provide the Certifier's name, address (including country), telephone number and email address. Indicate whether the Certifier is the Exporter, Producer, or Importer in accordance with Article 5.2 of the Agreement. This field is mandatory.

4. Exporter's Name and Address

Provide the Exporter's name, address (including country), telephone number and email address if different from the Certifier. The address of the Exporter shall be the place of export of the good in a Party's territory.

5. Producer's Name and Address

Provide the Producer's name, address (including country), telephone number and email address, if different from the Certifier or Exporter or, if there are multiple Producers, state "Various" or provide a list of Producers. A person that wishes for this information to remain confidential may state "Available upon request by the importing authorities". The address of the Producer shall be the place of production of the good of the Party's territory.

6. Importer's Name and Address

Provide, if known, the Importer's name, address (including country) telephone number and email address. The address of the Importer shall be in the Party's territory. If there are multiple Importers, state "Various".
